Program Description

The Family School Wellness Program is a confidential, voluntary, preventative service offered to children, youth and families. It is available to all children aged birth to eighteen and their families. Family School Wellness is available year round and is free of charge. Services can be offered through the school, at your home, or in the community.

Referral

Any member of the community requiring family related support or information may access the program. Children are welcome to make one self-referred visit prior to parental or guardian consent. Contact your Family School Wellness Worker through your child's school, or your local Family and Community Support Services.

Services Offered

Family School Wellness workers are qualified to:

- ✓ Provide support services to families and children facing social, emotional or family challenges
- ✓ Promote effective communication and parenting skills
- ✓ Offer short term individual or family support
- ✓ Build skills with students in small groups
- ✓ Assist in finding information and resources such as counseling, after hours crisis response workers or legal advice
- ✓ Advocate within the school or community at large
- ✓ Promote preventative opportunities within the schools and community
- ✓ Collaborate with community agencies
