We use Rutherford criteria to calculate gold sash. You must have 80%+ for all three years (marks will be calculated two week prior to ceremony).

Some students may receive gold sash in June but may not receive honours in the fall once final marks are in from diplomas.

**VALEDICTORIAN:** Highest overall average of the following courses

English 30-1, Social 30-1, and 3 Cores (Bio/Chem/Physics/Math 30-1)

# Grad Photos:

**Dates:** March 14, March 17-20

- The link to book will not be available until February. When booking is available, it will be sent out on Remind, Google Classroom, and via email.

Students will be given their grad cap and tassel **on graduation day**, this is theirs to keep; however, the gowns must be returned after the graduation ceremony.

**Borrowing a gown:** A \$100 deposit is required by Tuesday before the ceremony, if you wish to borrow a gown after the graduation ceremony. There is a form that needs to be filled out and returned with the deposit. The gown is due back by the following Friday, when it is returned, you will receive your deposit back.

# Grad:

- **No cost to participate in graduation.**
- Waivers must be signed and returned for students to participate in both grad and prom.
- Forms for grad will be sent out in April, they are due a month before the ceremony date. We will need to measure the students height in April so that we are able to assign grad gowns.
- The final list of students participating in graduation and prom ceremonies will be determined 3 weeks before the ceremony by school administration and will be posted the following week. At-risk letters coming in the next two weeks.
  - Students who are not on track to meet graduation requirements by that date will not be on the list.

# Prom:

- **Voluntary participation**
- All prior and current school fees must be paid in full, or arrangements made, to participate in prom.
- Fees will be determined based on venue, food, decorations etc. Hopefully solidified in April (approximately).
- The student prom committee will make decisions regarding the decorations, logistics, and set up of prom.
- Parents/guardians who expressed interest in volunteering will be contacted as opportunities arise.
- We do our best to take into consideration our diverse student population when making decisions and respect the time of our staff volunteering\*
